IMPORTANT MEMBER INFORMATION

FREQUENTLY ASKED ASSESSMENT FEE QUESTIONS - 1.855.624.4391

Q.1. What are assessment fees and who determines their amounts?

A.1. Assessment fees are made up of up to four components.

Water Intrusion Assessment Balance: These are funds needed to repair the water intrusion issues at The Point at Poipu Resort. This is the remaining amount due after your initial payment in 2012.

THE Club® Fee: This is the annual fee for being a member of THE Club® and covers all the services required to operate and provide the benefits of THE Club®, such as call center and operational services, II exchange and Gold membership, member publications and collateral materials, as well as audit fees. THE Club® fee is the same for every member irrespective of how many points the member owns.

Base Standard Assessment: This fee, which covers the fixed costs to operate the Members Association, is paid equally by all members regardless of the number of points they own. It is determined by the Members Association's board of directors.

Point Standard Assessment (Fee Per Point): This fee encompasses the expenses to operate, maintain and refurbish each resort in the Collection, as well as variable costs incurred by the Members Association. The board of directors of the condominium association and vacation owners association of each resort in the Collection creates an annual budget that estimates the expenses to operate the condominium project and vacation ownership program. These expenses are apportioned across all owners and therefore the charge to the Collection is dependent on the amount of inventory that the Collection owns at that resort. This process is completed for all the resorts in the Collection and the total is divided by the number of points in the Collection.

General Excise Tax (GET): This is a gross income tax imposed by the state of Hawaii on virtually all gross receipts from business activities conducted in the state, including the retailing of goods and services, rentals, commissions, etc.

Q.2. When are assessment fees due?

A.2. Assessment fees are due January 1 of each year. If you don't receive a bill, it is up to you to request it. Please refer to the enclosed copy of your Association's Assessment Billing and Collection Policy for more information or log on to DiamondResorts.com for more information.

Q.3. How do I pay my assessment fees?

A.3. There are a number of options to pay your fees:

1. Mail your check and payment coupon in the enclosed envelope.
2. Log in to your member account on DiamondResorts.com, and click on Accounts to pay by electronic debit (EFT) or credit card.
3. Call 1.877.DRI.CLUB (1.877.374.2582) and pay by credit card by using our fully automated payment service available 24 hours a day.

Q.4. Can I pay my assessment fees at a resort?

A.4. Payments cannot be accepted at any resort.

Q.5. If I don't use my points this year, do I have to pay the assessment fees and dues for THE Club®?

A.5. Yes, all members must pay their annual fees regardless of whether or not they use or save their points.

Q.6. What happens if I do not pay my assessment fees before they are due?

A.6. Non-payment of assessment fees could result in forfeiture of your membership. Collection and recovery charges may be added to your account for non-payment of fees. Please refer to the enclosed copy of your Association's Assessment Billing and Collection Policy for more information.

Q.7. What if I have a question about my mortgage?

A.7. If you financed through Diamond Resorts Financial Services, Inc., all questions concerning your mortgage (i.e. interest, monthly payments, coupon books, balance and pay-off amounts, or interest 1098s) should be directed to 1.877.DRI.CLUB (1.877.374.2582) (U.S. calls). Otherwise, please refer to your coupon book to determine your mortgage company.

Q.8. If I have a question regarding my assessment fees, who should I contact?

A.8. Customer service can be reached at 1.855.624.4391 or e-mail BillingHelp@DiamondResorts.com.

Q.9. What is the "ARDA-ROC PAC" assessment for? Do I have to pay it and is it part of the assessment fee?

A.9. ARDA's political arm, ARDA-ROC PAC (American Resort Development Association Resort Owners Coalition Political Action Committee), enables owners to engage government officials at all levels in constructive, ongoing dialogue and to participate in policy decisions affecting their vacation ownership experience. Year after year, timeshare owners are targeted by federal, state and local lawmakers searching for various ways to raise revenue, and this committee is dedicated to protecting your economic interests. ARDA-ROC PAC contributions are political contributions not deductible for federal income tax purposes. You may refuse to contribute or contribute more or less without reprisal or otherwise affecting your membership. Only U.S. citizens or permanent resident aliens (green card holders) may contribute to ARDA-ROC PAC.

Fall 2012

Dear Diamond Resorts Hawaii Collection Member,

As 2012 begins to draw to a close, we hope this letter finds you and your family well and looking forward to your next vacation. We would like to take this opportunity to discuss some of the exciting things that are planned at the resorts within our Collection for 2013.

Please take some time to read all of the inserts accompanying this year's maintenance fee statement. This letter focuses on 2013 maintenance fees and other inserts provide important information about the second installment of the Water Intrusion Assessment.

We have enclosed your 2013 annual assessment statement along with a copy of our Association's 2013 budget. We were able to hold the line on the Base Standard Assessment, which is \$239.58, the same as in 2011 and 2012. The Point Standard Assessment Fee Per Point is 12.73 cents, including Hawaii General Excise Tax (GET), an increase of 2.3% from 2012. Credit goes to the management teams at the underlying resorts who are maintaining high quality standards for a modest fee increase. We continue to work diligently to keep the increase in 2013 as low as possible.

Water Intrusion Project and Assessment

In 2011 The Association of Apartment Owners at Poipu Point Board of Directors (Poipu AOA) approved funds for the Water Intrusion Project. They also approved a payment plan for 2012. This payment plan has since been revised to provide a longer period of time for those high points' owners to make their payment. The original payment plan allowed up to five years to pay the Water Intrusion Assessment in full. The initial 2012 payment was the greater of 30% of the total Water Intrusion Assessment or \$2,000. Subsequent year's payments were scheduled to be the greater of 20% of the total Water Intrusion Assessment or \$2,000, until paid in full. The new payment plan will not change what you have already paid; and some members will complete their Water Intrusion payment this year; however, for members paying over future years, the minimum annual payment has been reduced and a longer period of time in which to pay the full assessment is provided. For 2013, your second installment due will be the lesser of 17.5% of the original Water Intrusion Assessment billed to you, or the remaining amount due. Future installments will be billed under the same method of 17.5% per year until paid in full. Please see Exhibit "A" for further details on the revised payment plan.

Standard Assessment Fee

Our Collection consists of four resorts: Ka'anapali Beach Club, The Point at Poipu, the Villas at Polo Towers and Sedona Summit Resort. Just a reminder, you have a 13-month home collection reservation advantage at all four of these vacation destination resorts.

The Board of Directors of each resort's association meets annually to create a budget for the upcoming year. The boards review the actual year-to-date expenses to operate the resorts and then forecast the operating costs for the upcoming year by making assumptions about changes – increases and decreases – in those expenses. The boards also determine the amount that should be contributed to the resorts' reserve funds for future refurbishments, repairs and replacements. These costs are then apportioned across all owners, and therefore the fees billed to your Collection are dependent on the amount of inventory the Collection owns at each resort.

Resort Projects

Below are some of the exciting 2013 projects planned at the resorts in your Collection.

At The Point at Poipu, the largest project in process is the Water Intrusion Project. Repairs on Building 4 began in July of 2012 and are scheduled to be complete in January of 2013. Once Building 4 is complete, repairs of Building 6 will begin. Building 6 repairs are estimated to take approximately 6 months to complete.

Also at The Point at Poipu, the room upgrade schedule has been revised to follow the Water Intrusion repair schedule. This means the project will be completed as each building is repaired. Beginning with Building 4, the remaining furniture will be replaced (new headboards, side tables in the bedrooms, new coffee and side tables in the living rooms and new dining room tables and chairs), installation of new carpet and the painting of the interior of the units. The Point at Poipu is also continuing with the multi-year fire alarm upgrade, will be replacing the lobby doors and all pool furniture cushions.

The Ka'anapali Beach Club will begin the second stage of a three year room refurbishment project. Approximately \$5.6 million will be spent on this project in 2013. The project includes the replacement of the living room furniture, drapes, artwork, carpet, unit painting, new lighting, dining room furniture, bathroom enhancements, and bedroom furniture.

The Ka'anapali Beach Club will also begin the roof canopy project which will consist of the removal and replacement of the three open air roof structures on the building. Enhancements will also be made to the front entrance of the property and the multi-year fire system upgrade will continue.

Polo Towers Villas is budgeted to spend approximately \$1 million on property improvements in 2013. They will complete the final stage of the floor plan reversal, and by the end of 2013 all Murphy beds will be replaced. There are also several infrastructure projects scheduled for 2013: Floor tile and grout sealing; refurbishment and repair of the cooling tower; replacement of the booster pump; elevator upgrades, etc.

The Sedona Summit Resort is budgeted to spend approximately \$2.3 million in property improvements in 2013. They will be renovating the lobby, replacing furniture in the Mesa units, TV replacement in the Sunset units and implementing some Green Energy projects (electric car charging station, solar water heating system for laundry and energy efficient lighting).

We encourage you to visit our Association's website at DiamondResortsHOA.com. Here you will find information about the various projects at the resorts within your Collection, updates and photo's of the Water Intrusion Project, financial reports and updates and other valuable information.

Payment Information and Payment Options

Please remember that payment is due January 1, 2013. If you prepaid your 2013 maintenance fee based on the 2012 rate, the incremental increase is also due by January 1, 2013. Please refer to the enclosed Assessment Billing and Collection Policy for additional details on late fees and penalties. We encourage you to send payment by check in the enclosed envelope or use the electronic debit (EFT) feature available at DiamondResorts.com because payments made by check or EFT save money for our Association. For more information on how to pay your bill, please refer to the Frequently Asked Questions on the back of your statement, call 1.877.DRI.CLUB (1.877.374.2582) or e-mail BillingHelp@diamondresorts.com.

Sincerely,

Board of Directors

In addition to your quarterly Club e-newsletter, we introduced a 'What's New' section on the website dedicated to members, giving you updates on what's happening, so that even if you miss the e-newsletter, you can keep current on the new items. Also, there is now a Frequently Asked Questions section (FAQs) in the Member Area. Please review the questions and answers and rate the responses. Your feedback allows us to keep this section relevant to your on-going questions we receive. Do check here first before you contact us, as there may already be an answer to your question.

This year we launched our Facebook page, www.facebook.com/diamondresortsinternational. Visit this page for news articles, updates on events and to exchange information with other members of THE Club®.

LOOKING TOWARD THE NEW YEAR

There are more changes coming, some of which may have been implemented by the time you receive this letter. We are making improvements to our web reservations process and adding some new functionality. These changes will allow us to continue to improve the online booking process throughout 2013. Look for your 2013 membership cards beginning in January.

We think you will agree that THE Club® has improved and grown significantly in recent years, providing not just more destinations and benefits, but new experiences for you to share, and opportunities to meet and explore the world with fellow members using your Diamond points. We look forward to meeting you at one of our forthcoming events and remain dedicated to providing you with the simplicity, choice and comfort you deserve.

Sincerely,

Sarah Hulme
SVP Global Club Operations, Diamond Resorts International®
